## President's Message July 2023

Hello friends,

By now those of us that enjoy car shows are in full swing. Whether you've already been to a show this season or are preparing for the first one, keep this in mind:

Car shows are great for socializing and networking with fellow gearheads. A win is flattering, but you aren't entitled to it, even if you think you have the best car there. Drive your car. Enjoy your car. Work on your car. Share your car with others. That's what it's all about.

Good luck to everyone and enjoy!

Our own show is just around the corner. Monika and Nancy and their team of volunteers have been working since we closed out last year's show to make this year's car show even better. Even if you are not going to be attending, there are lots of opportunities for you to be involved. Fran is the volunteer coordinator; ask her if she needs anymore assistance. The volunteer list is included in this newsletter, take a look. Any help is greatly appreciated. Also there is a work party on July 20th at the Merwin's to assemble all the raffle items, see flyer.

The annual club picnic is also just around the corner. As of now there is no one that has stepped up to organize. If you're interested please contact me and I will get you started. Also see "Save the Date" flyer. I would love to take this on, but will be recovering from shoulder replacement surgery and will still have no use of my right arm. There are lots of people who are willing to assist, we just need an overall organizer.

Thank you to everyone that keeps this club rolling along in front and behind the scenes.

Enjoy the beautiful weather and of course, your car(s)!

Missy

## Past Events

### Tacoma Rainiers Game

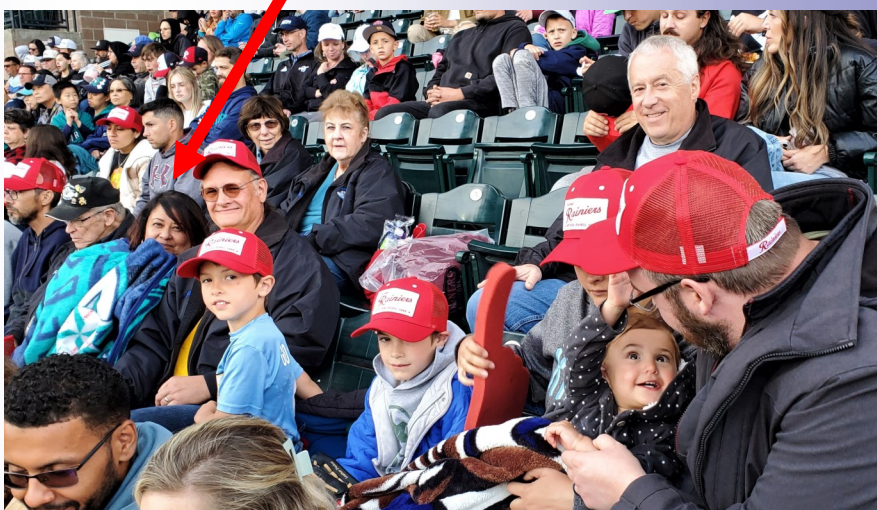

June 17

Twelve members and families enjoyed the Rainiers game. Rainiers won 8-5! Our club was recognized on the big screen. Thanks Jerry and Kathy for organizing our outing.

I think someone got a little chilly.

## FNDO - Black Bear Diner

June 23

Eleven of us showed up hungry at the Black Bear Diner. Service was really good and the food was too! Hope to see even more folks next month for brunch at Trotter's in Auburn.

## THINKING ABOUT PURCHASING A NEW FORD?

### X-PLAN PRICING

The X-Plan offers Mustang Club of America members the opportunity to purchase MOST new Ford vehicles at a substantial savings. Applying for your pin number is an easy and straight forward process. MCA DOES NOT send you your X-Plan pin number. You must apply for this yourself.

- You must be a Digital or a Standard MCA member.
- At the time of purchase you must be a MCA member for 90 days. This means if your account is inactive/expired for a couple of months and you renew your account, your 90 days begins on the date of renewal. You will not be able to use the X-Plan pricing to purchase the vehicle until your 90 days has been established.
- Confirm that your dealer participates in X-Plan pricing. If they do, then apply for the X-Plan PIN number. You can do this by logging into your MCA account at [www.mustang.org](http://www.mustang.org) OR go to [www.fordpartner.com](http://www.fordpartner.com) website direct and enter the MCA partner code MC405.
- To find the X-Plan link on the MCA website, log into your MCA account search under the Resources tab. Click on Member Services, then scroll down for the X-Plan link and follow the steps to the Ford partner website.
- Please note the MCA does not have anything to do with the Ford website or your pin number. This is between you and Ford.
- When you receive your pin number PRINT YOUR CONFIRMATION page. You will need to give this page to your dealer along with your current MCA member card. The name on the MCA card needs to match the name on your pin confirmation. If you are new to MCA or renewing you should have your membership card well within your first ninety days of membership.
