Pierce County Mustang Club's 32nd Anniversary!!

Mustang of the Month

**Congratulations Rick & Cindy Coombs
1966 Mustang 2+2**

We have owned our 1966 Mustang 2+2 since 1994. Cindy located the car on a used car lot in South Tacoma after a lot of searching. It was used as a daily driver for many years, including numerous years of operation by our children. Then it sat under a car cover for a period of time. In 2016 we agreed that it was time to fix it up. For two years it underwent a complete restoration, to include significant body work, and paint (vintage burgundy). We added four wheel disc brakes, fuel injection and wheels and tires. We would like to thank Classy Chassis and Auto Body and Mustang Ranch for all their work building my dream Mustang.

We have enjoyed using it for Club events and shows. We look forward to future adventures.
